Dear Marcia

I really don't know where to start as yours. We have had so many good times together, it seems like we are more like sisters than just friends. I know I feel like part of the family I have been around them so much. I'll never forget our Louisianna vacation last summer, when we burned up the road between Virginia and Dil City to see about the mail. Remember how upset you got about Wayne and how upset I got about the hurricane I think my knees were knocking to-gether and you weren't even scared. I remember I got one of my "feelings" that Wayne would write you and then you got a letter that day.

Marcia I guess you are about the best friend a nit-wit like me could ever have. I want you to know that I appreciate all the things you have done for me. I also want to say that I think you have the cream of the crop of boys. Wayne is also one of my best friends also. I hope we will always stay that way. Now, I don't seem to be as long-winded as you but you know how I feel

Love you till the butter flies

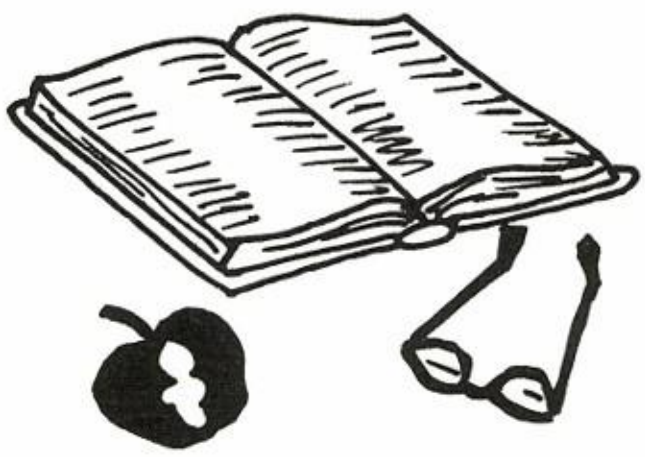
In Honor of

MISS SILAS McFARLAND

Who has reigned over a Lampasas class room for many years. Her lofty ideals are deeply implanted into the lives of her former students as well as those of today.

DEDICATION



We honor You, the representative teens of our school, for your eagerness, loyalty, co-operation, and as all-round typical students. You struggle to "rise and shine" each morning after burning the "midnight oil" as well as all the gas from the family bus. Studying a little—Hurrying to beat the tardy bell; worrying about conduct grades but doing nothing about them; carving your sweetheart's name on the chemistry lab table—This is You.

You rush to be first in the lunch-room line, and then find you forgot your lunch ticket—You proceed to your afternoon classes, watching the clock for 3:15, and the traditional circling of the square.

What's that we hear? Why it's You, singing our school song at a ballgame, backing the Badgers and defending "Old Blue"— You grab a hamburger and coke afterwards, making it your fifth meal for the day.

Test time—all "A's"—well, maybe a few "C's" sprinkled around. Anyway, you're satisfied because you're a teenager. And so, since You have all these qualities plus many more, we, the Yearbook Staff, "DEDICATE THIS 1958 BADGER TO YOU, THE STUDENTS OF LAMPASAS HIGH SCHOOL."

Dear Marcia –

You are just about to become a Senior. It is the greatest year in high school. Really make the most of every minute. I've enjoyed being in ~~Jr~~ & J.P.'s but now I'm pleased to work hard in ~~Jr~~ next year. At least beat those "13" to pieces.

Marcia you are one of the favorite Juniors. May you have the best of everything always.

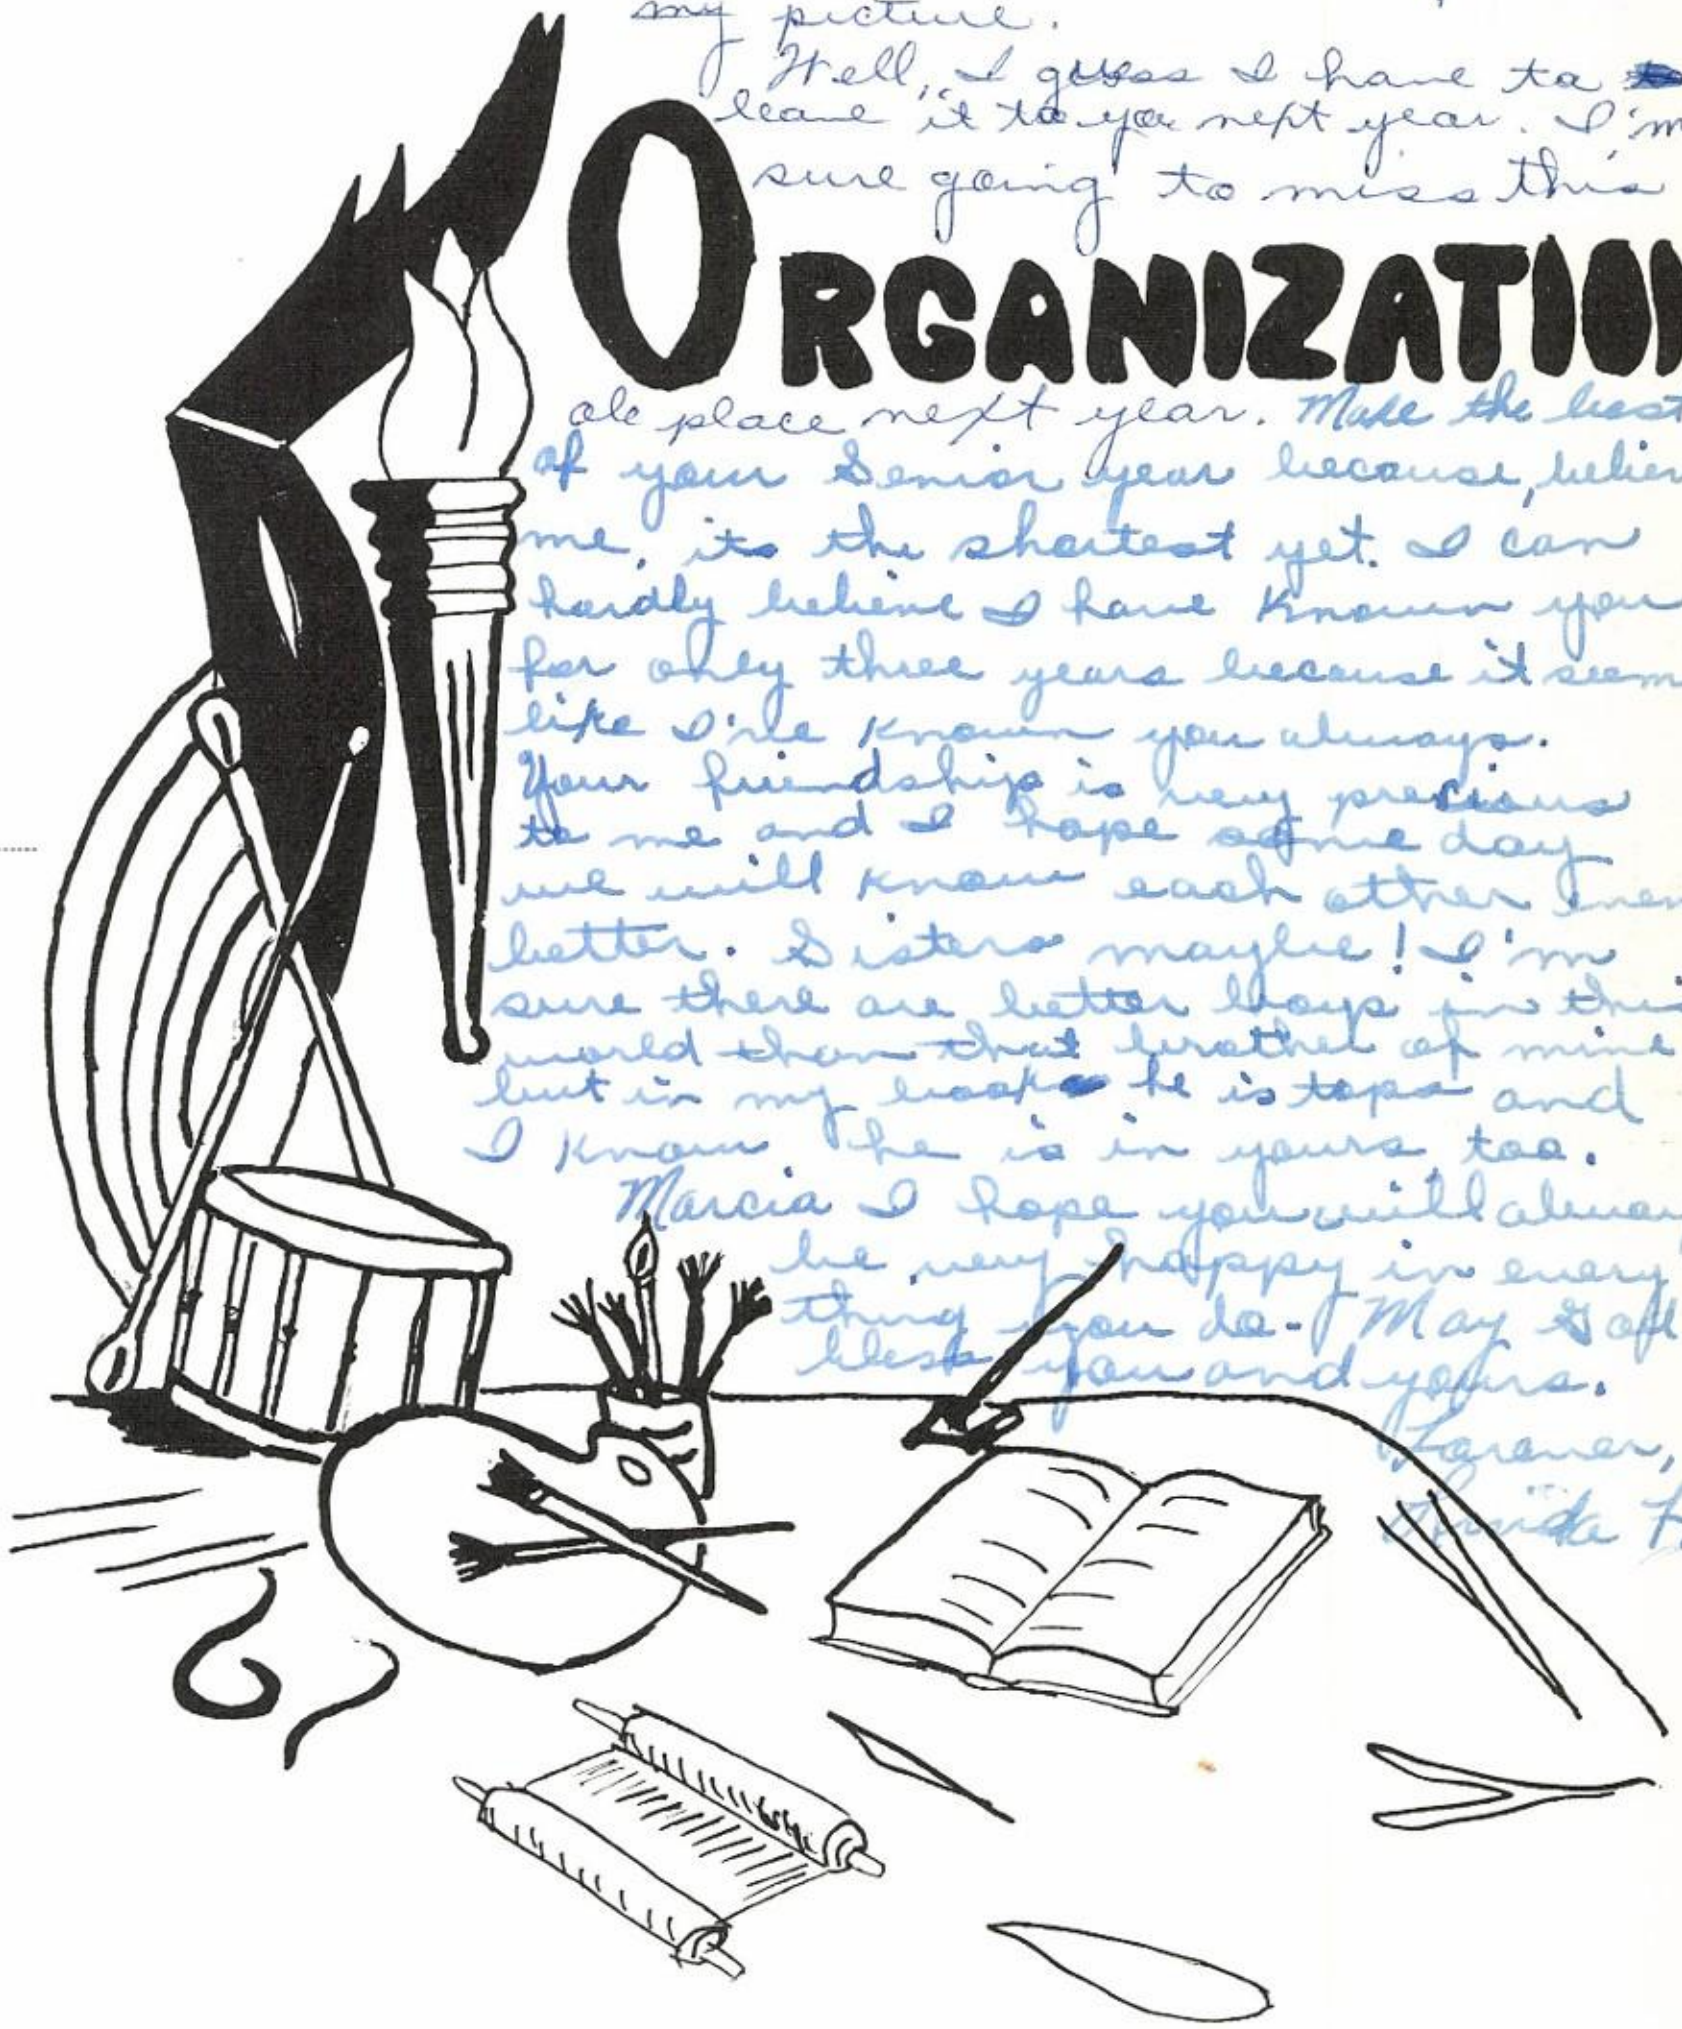
Dear Marcia,

"Sign my annual" you say. That's a big laugh. The only space that wasn't written on was my picture.

Well, I guess I have ta leave it ta ya next year. I'm sure going to miss this



ole place next year. Make the best of your Senior year because, believe me, its the shortest yet. I can hardly believe I have known you for only three years because it seems like I've known you always. Your friendship is very precious ta me and I hope some day we will know each other even better. Sisters maybe! I'm sure there are better boys in this world than that brother of mine but in my book he is tops and I know he is in yours too.

Marcia I hope you will always be very happy in everything you do. May God bless you and yours.

Forever,
Linda T.

I suppose I can write here. I always thought I was a good sport. The only thing - no one else did.

Well, you'll be a Senior next year & I know you'll have fun. I just want you to know that I think you're a real sweet girl. I hope you have the best of everything that Life has to offer. Just stay the way you are because that's the way everyone likes you.

Love you always,

Dear Marcita

Here we go again! I could write a book! We have had some times and I'll never forget a one of them. I don't know where to start but here goes!

Think of all the fun we've had up at Lo + Lo. Park and all of the 'funnies' we did. Remember when I ripped my pants riding that horse? Eek!

And all of the times we've double dated. I'll never forget the time you and Wayne and L.C. and I went to the lake. And the time we ran off in Wayne's car and left them in Regalia. Gosh, I'm glad to see you after that. And the time we will all going to church together? Guess who didn't make it? We made it the next week though - didn't we.

I'll never forget the times we white-washed and I stayed with you. And then comes Grace at the crack of dawn saying "Marcita, time to get up" oh what a night.

If I lived to be a hundred, I wouldn't forget the eventful day out at Pillow Bluff. Cold water, gosh I guess.

Marcia, it has always been so easy for me to talk to you. Remember all of our little scandles? I think I could tell you my most intimate secret. (Heck, I don't have one) You are the kind of a friend a girl looks for all her life and I found it. May you always have the very best. You more than deserve it. I love you, Janice

Reserved for Martha

Dear little friend,

Well, I just don't know how to start off. There is so much to say, and there just isn't enough room here to say all of it. Marcia, you'll never know how much your friendship has meant to me all through the years, and especially this one. We've really grown closer this year - thanks to annual - and I have really enjoyed it. We've got alot of work ahead of us this summer, but I'm sure we can do it. Our high school career is really passing by in a hurry, and I can't truthfully say I'm sorry. We've only got one more year for us all to be together, so we've really got to pack a lot of fun into that short year. I guess our big slumber parties will always be something to remember. Hope we have many more in the future. You've been a real pal to listen to all my troubles with Jackie, Mackie, etc. I really appreciate all you've done. I want to wish you and Wayne the very best of life has to offer, for you are two very sweet and deserving people. Best of luck to one of my very best friends

Love you, Martha

enjoyed being on the annual

Dear Marcia,

It almost makes me
sad to write in these annuals.
So many things are expressed
in these pictures. I really
think you'll did a fine job
on this little book. I'll
always remember April 8
when we doubled-dated & you
had your first date with
Wayne. I hope you'll continue
to date each other forever.
Needless to say, I remember
all the slumber parties we
had together - and other parties
also. Lets really work hard
in F.F.A. next year and make
it the best ever. Love &
all the luck in the world

know.

Dear Marcia,

Well, this is our next to last time to be having this little party. I can hardly believe it. Next year we'll be mighty Seniors! I don't know how to feel. Marc, I'll never forget the wonderful times we've had together. Haven't we had fun? Remember all the times we've waited for Wayne? all the heartattacks we've had when we saw a blue ford, especially at the y. Marcia - I want to wish you and Wayne every thing in the world. Dear Marcia,

Form the looks of the room here you know how my hand feels. Even if I had two pages I couldn't tell you how much I have enjoyed ~~knowing~~ knowing around you. We haven't done a lot of things & gotten but I will always remember the one we have done. Remember the day we all washed Alice B. car again in the creek, it was really fun. I guess next year we can look after each other with Scott + Wayne both gone. Remember how much fun we have had in L. F. H., next year we will make it even better! I hope things work out fine with you and Wayne. Merci + the bra. next year! Best of everything, (Love, Luck, + Happiness)
